About Us

Safety Saarthi Pvt. Ltd. is a multi-disciplinary engineering company providing end-to-end Fire Safety, MEP, and Infrastructure Solutions across India. Founded with a mission to make workplaces safer and smarter, we have evolved from being one of Maharashtra's leading fire protection contractors to a complete turnkey solutions provider, integrating Fire Safety, Electrical, HVAC, Plumbing, Utilities, and Energy Systems under one roof. With over a decade of technical excellence, 500+ executed projects, and a growing presence across industrial, commercial, and residential sectors, we're redefining what it means to build and operate safely through innovation, compliance, and reliability.

Why choose us:

10+ Years of
Multidisciplinary EPC
Expertise

Class A Licensed Fire
Safety Contractor

Dedicated Design,
Execution & AMC Teams

Proven Track Record
Across India's Industrial
Belt

Our Legacy of Trust:

- Class A Licensed Fire Safety Contractor (Government Approved)
- Pan-India Project Capability – Serving Industrial, Commercial, and Institutional Sectors
- 500+ Projects Delivered
- 10+ Years of Industry Experience
- Certified Engineers & Safety Experts
- Trusted by Leading Industries, Builders & Architects
- Strong Compliance with NBC, IS Codes, NFPA & Local Regulations
